

Baltimore International Academy DELF-DALF Center

The [Diplôme d'Études en Langue Française](#) (DELF) is an official diploma awarded by the French Ministry of Education to certify foreign candidates' proficiency in French. The DELF B2 affords access to all French universities and to an ever-growing number of European and francophone universities, eliminating the need for pre-admission French language tests.

DELF certificates are made up of six independent diplomas corresponding to the six levels of the [Common European Framework of Reference for Languages](#) (CEFR): DELF A1, DELF A2, DELF B1, DELF B2).

Exams are divided into two parts:

- Written Exam: Listening comprehension, reading comprehension, and writing.
- One on One Exam: Speaking and oral interaction

Baltimore International Academy DELF Center offers three DELF versions:

- DELF for the General Public
- DELF Junior for children ages 12-16
- DELF Prim for children ages 10-12

For more information about DELF or DALF visit the [FEI website](#).
